

## Our Team

The Cure Stat Rx team is made up of compassionate experts, passionate about making a difference through medicine. We refresh our training often, solicit routine monitoring, and test ourselves for competency and technique. Our processes are held to the same high standards, as we continuously fine-tune our operating procedures to optimize quality, service, and performance.

## Our Credentials

We've got all the right licenses. Licensed by the State Board of Pharmacy, our facility is certified for USP 797 and USP 800 sterile compounding by a third-party agency, and our compounding equipment is calibrated in compliance with standard compounding protocols. All our supplies come from licensed and reputed distributors.

## Take Your Prescribing Potential to the Next Level

Let's chat about how you can provide customized medications for your patients.

# THE ONLY SPECIALIZED PHARMACY YOUR PATIENTS NEED

## HOME INFUSION, SPECIALTY, AND COMPOUNDING PHARMACY

Sometimes, standard medications don't suit the patient. They may need more specialized care. They need Cure Stat Rx, a leading closed-door compounding, home infusion, and specialty pharmacy.

## Meet Cure Stat Rx

Personalized formulations. Precise procedures. Competitive prices. Your patients get this and more from Cure Stat Rx. Count on us from start to finish for compounding services, supplies, equipment, education, care planning, reporting, and patient-assistance programs.

## Why Compounding?

A medication was discontinued. A dosage isn't quite right. Your patient needs a specialty medication. Enter Cure Stat Rx. Our compounds are customized for the patient's needs with limited side effects, maximum compliance, and optimal outcomes.

## Your One-Stop Source

### Infusion Therapies

From anti-infectives, blood factors, and chemotherapy to heart failure, immunotherapies, and total parenteral nutrition, we are your single-source solution.

### Specialty Therapies

We have the expertise to help treat rare and chronic diseases with high-touch, compliant specialty therapies and services.

### Sterile Compounding

No dust, no airborne microbes, and no aerosol particles. Just the finest technicians and the purest, most high-quality formulations in our ISO class 7 cleanroom.

### Nutritional & Hydration Support

Our infusion therapies and specialty medications can repair electrolyte imbalance, improve appetite, and provide nourishment when needed.

### Fertility Treatments

We dispense the largest inventory of the latest fertility therapies, and are here to educate patients on dosage preparation, administration, disposal of medication, and alleviation of side effects.

### Even More

From ophthalmic, veterinary, pediatric, and oncology compounds to pharmacokinetic dose assessments, nutritional consultations, and clinical therapy monitoring, we are your complete single-source solution.
