Finally, thank you for giving us the opportunity to be part of your healthcare team. Your success is our primary goal, and we look forward to being your preferred specialized pharmacy.

Sincerely,

The Cure Stat Rx Pharmacy Team

WHO WE ARE

... MEDICINE WITH A HUMAN ELEMENT

The Cure Stat Rx team of compassionate experts is dedicated to making a difference through medicine. We frequently refresh our training, solicit routine monitoring, and test ourselves for technique and competency. Our processes are maintained at best-in-class industry standards, as we continuously fine-tune our operating procedures to optimize quality, performance and service.

We are licensed by the State Board of Pharmacy and our 503A facility is certified for sterile compounding standard USP 797 and standard USP 800 for the safe handling of hazardous drugs. The pharmacy compounding and lab equipment is routinely calibrated and maintained for compliance with standard industry protocols. Additionally, all pharmaceuticals and other medical supplies are sourced from licensed and reputable wholesale distributors.

No matter what your patients may require, Cure Stat Rx will always delivery high-quality and timely treatments. When necessary, additional testing is available for potency, sterility and endotoxins. Of course, the most important ingredient is our dedicated people.

OUR

MISSION

To be the innovative, industry leader in delivering unique treatments at the highest standards that result in positive patient outcomes.

ABOUT US

... SPECIALIZED MEDICINE DEMANDS A SPECIALIZED PHARMACY

Cure Stat Rx was founded on a vision to pioneer and expand treatments for chronic and rare diseases. This important pursuit has led to our partnerships with many health providers, insurance carriers, and manufacturers who trust us as their specialized pharmacy of choice. We are skilled experts who can help you deliver the right care to patients, with customized compounds and therapies focused on Home Infusion, Oncology/Hematology, Nutrition and Hydration, and other Specialty medications.

We are a trusted partner because we never compromise on quality and service. That means adhering to and exceeding all federal regulations. Our meticulous procedures and processes are driven by standards that surpass your typical pharmacy. This results in a personalized medication made especially for each of our patients.

Cure Stat Rx is the only specialized pharmacy your patients need.

Our passion is to discover 'what's next' means that you will always have a solution, no matter how specific it may be for your patients. And with better compliance, more dosage forms, and custom delivery options, Cure Stat Rx can provide more to your patients. Your specialized care demands a specialized pharmacy.

... YOUR ONE-STOP SPECIALTY PHARMACY

WHY COMPOUNDING? ---

When a drug is discontinued, or a commercial dosage form is too high, or an ingredient too allergenic, patients require a specialty prescription. Cure Stat Rx is your compounding pharmacy partner that will customize the right dosage to optimize care, limit side effects, and achieve the best possible patient outcome.

Specialized Medicine Demands a Specialized Pharmacy

INFUSION THERAPIES

When you need a closed-door, state-licensed home infusion partner, Cure Stat Rx is there to support you. Count on us from start to finish for infusion services, supplies, equipment, education, care planning, reporting, and patient-assistance programs. From anti-infectives, blood factors, and chemotherapy to heart failure, immunotherapies, and total parenteral nutrition, we are your single-source solution.

SPECIALTY THERAPIES

Specialty medications demand a specialty pharmacy. Cure Stat Rx is ready to help treat chronic and rare diseases with high-touch, compliant specialty therapies and services. From care coordination to education and training, we promote awareness of newly approved products, and serve as a trusted resource for dosage and administration.

FERTILITY TREATMENTS

When insurance companies won't cover fertility treatments and the cost of medication gets expensive, Cure Stat Rx is your solution. We stock the largest inventory of the latest fertility therapies, and we are here to educate patients on dosage preparation, administration, disposal of medication and the alleviation of side effects.

NUTRITIONAL & HYDRATION SUPPORT

Some patients can't consume an oral medication. Others may be malnourished, underweight, or severely dehydrated. Cure Stat Rx is on hand with nutritional and hydration support. Our infusion therapies and specialty medications can repair electrolyte balance, improve appetite, and provide necessary nourishment.

STERILE COMPOUNDING

No dust, no airborne microbes, and no aerosol particles. Just the finest technicians and the purest, most high-quality formulations. At Cure Stat Rx, we work hand in hand with the most advanced medical equipment in our ISO (International Standards Organization) Class 7 cleanroom, using only FDA-approved chemicals for all compound medications.

EVEN MORE

Our specialty therapies don't stop here. From ophthalmic, veterinary, and oncology compounds to pharmacokinetic dose assessments, nutritional consultations, and clinical therapy monitoring, we are a complete single-source solution for all your specialty medications and reporting needs.

TAKE YOUR **PRESCRIBING POTENTIAL** TO THE **NEXT LEVEL**
